

# Touchstones Constellations Sets

*Ideal for working with clients in 1-2-1 settings*

Project a more professional image when you constellate with clients in one-to-one settings, with this smart, high-quality Constellations kit.

The beautiful black suede item is lightweight and fits easily and discreetly into your briefcase or bag. It unfurls onto a desktop to reveal a stitched working mat with zipped pouch containing 10 ceramic 'Touchstones' and non-permanent pen.

You simply write representatives' names on each Touchstone, and wipe them off with a tissue when the constellation is complete!

## **Comments:**

*"An invaluable tool for a coach or consultant"*

*"So much more versatile in work settings than using toy figures"*

*"I can take it anywhere, and use it anywhere"*

*"As useful for my work with therapy clients as with business clients"*
